

# Brisbane Cocoaheads

A night photograph of the Brisbane city skyline. The Story Bridge is prominent in the foreground, its steel truss structure illuminated with blue lights. Behind it, the city's high-rise buildings are lit up, creating a vibrant glow against the dark sky. The lights from the buildings and the bridge create a pattern of stars and highlights across the scene.

Welcome @nathan!

nathan 8:50 PM  
Thanks

8:53 ★ Thanks @robpearson and @ben for screenshots for tomorrow's lightning demo. Does anyone else have some colourful screen grabs of their apps I could use? 😊
