

Brisbane Cocoaheads

A night photograph of the Brisbane city skyline. In the foreground, the iconic Story Bridge is illuminated with blue lights, its structure glowing against the dark sky. Behind the bridge, a dense cluster of skyscrapers rises, their numerous windows glowing with warm yellow and white lights. The overall atmosphere is vibrant and urban.

Thanks

8:53 ★ Thanks @robpearson and @ben for screenshots for tomorrow's lightning demo. Does anyone else have some colourful screen grabs of their apps I could use? 😊
