

Brisbane Cocoaheads

A night photograph of the Brisbane city skyline. The Story Bridge is prominent in the foreground, its steel truss structure illuminated with blue lights. Behind it, the city's high-rise buildings are lit up, creating a vibrant glow against the dark sky. The lights from the buildings and the bridge create a pattern of stars and highlights.

ben 8:16 PM
Hey @nathan... tidy little group we got going now. FYI, it's easy to change your username if you fancy something simpler 😊

robpearson 8:49 PM
Welcome @nathan!

nathan 8:50 PM
Thanks

8:53 ★ Thanks @robpearson and @ben for screenshots for tomorrow's lightning demo. Does anyone else have some colourful screen grabs of their apps I could use? 😊
